WHY REGISTER

SAFE Project's I-FPRS Training equips participants with the knowledge, skills, and abilities to support individuals with substance use disorders and mental health challenges in navigating the complexities associated with the cross-section of behavioral health and criminal justice service settings.

FORMAT

The training is three full days with domains covering: Criminal Justice, Mentoring and Education, Recovery and Wellness, Advocacy, and Ethical Responsibility.

This training offers 24 hours that may be used towards certification (check with your state or certification board).
