CHECK OUT OUR PROGRAMS:

BRIDGING PREVENTION & RECOVERY (BPR) TRAINING OF TRAINERS (ToT) PROGRAM

Bridging Prevention and Recovery (BPR) is a training and technical assistance program that facilitates systems change by breaking down silos and coordinating Prevention and Recovery efforts.

YOUTH AND YOUNG ADULT PROGRAMS

Our SAFE Choices line of programming fosters resiliency in youth through collaborative and diversified approaches that reduce the risk of substance use and mental health challenges while empowering youth throughout all stages of their development.

FORENSICS TRAINING OF TRAINERS (ToT)

A multi-day training that expands the skills of peer recovery specialists, and their supervisors, who work with justice-impacted individuals.

FAMILY OUTREACH & SUPPORT

Online stories, educational resources, lessons learned, and webinars uniquely created to foster connection and support for those directly impacted by substance use disorders.

NO SHAME PLEDGE AND EDUCATION PROGRAM

A nationwide movement and locally replicable campaign and toolkit designed to combat stigma and provide community education.

PUBLIC AWARENESS CAMPAIGNS

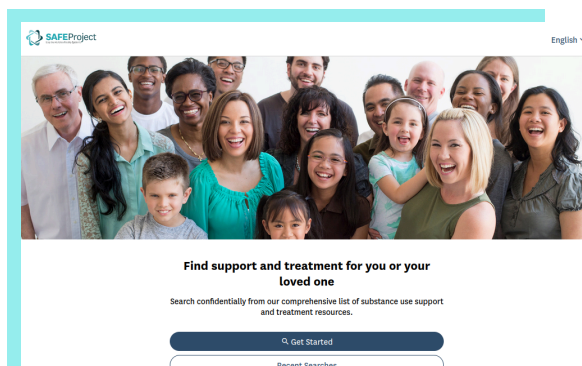

Customizable public awareness signage designed for medical centers, public institutions, billboards, malls, bus stops, and more.

RECOVERY HOUSING RESOURCES

Designed to assist individuals with finding transitional housing to suit their needs and support for owners and operators of recovery homes.

NATIONAL RESOURCE LOCATOR

A searchable database of national treatment centers and family supports available in both English and Spanish. Also available is a first-of-its kind database of national recovery residences.
