A PREVENTION PERSPECTIVES WEBINAR

TAKING A PUBLIC HEALTH APPROACH TO PREVENTION

Effective prevention starts with all of us! Join us as we rethink prevention and health promotion through a public health lens.

Speaker

SYDNEY CHEIFETZ

DEPUTY DIRECTOR
SAFE CAMPUSES

MAY 21, 2025

12:00PM EST

Introducing Prevention Perspectives, a new webinar series brought to you by SAFE Project. Each session will feature discussions on different topics within the field, hosted by Ronna Yablonski, Senior Director of Prevention.

LEARNING OBJECTIVES

REDEFINE

health promotion and substance use prevention goals

RETHINK

substance use using the social determinants of health and holistic prevention perspectives

REFLECT

on public health and reality-based approaches to prevention

DISCUSS

community level and individual interventions and primary, secondary, and tertiary prevention methods
